

Harriet Davidson

December 20, 1926 - June 3, 2024

Harriet Davidson was born on December 20, 1926 in Cleveland Ohio to Fred and Rose (Fertel) Shenker. Harriet was an only child and beloved by her parents. Harriet graduated from Cleveland Heights High School and went on to receive a bachelors in Psychology from Mather College at Western Reserve University (now a part of Case Western Reserve University).

Before her marriage, Harriet worked as the head nursery school teacher at True Sisters and Alta House. She later met her husband, Kenneth, and the young couple began laying the foundations for a beautiful life together. In their early years of marriage, Harriet worked as the secretary to the adjutant general at Fort Benjamin Harrison, while Kenneth was stationed there in the US Army.

Harriet and Kenneth raised their family in Cleveland and were the proud parents of Ileen (Lyn) and Fred (pre-deceased). Harriet was also the beloved grandmother of Daniel Mishins. Harriet was an avid reader, gardener, and tennis player. She also was involved in Jewish life as a member of Temple Tifereth Israel, then led by Rabbi Abba Hillel Silver, and through the training efforts of ORT. Harriet was a compassionate and keen observer of the world around her.

For many years, Harriet and Kenneth lived in Boca Raton, Florida. They

greatly enjoyed the company of friends and family and embraced the Florida lifestyle. Nonetheless, they remained connected to their hometown of Cleveland. They remained loyal members of the Temple Tifereth Israel, despite living so far away.

Graveside Funeral will be held Friday, June 7, 2024 at Mayfield Cemetery (2749 Mayfield Rd, Cleveland Heights, OH 44106). The Funeral will begin at Noon.

May Harriet's memory be a blessing.
