“ It was such a pleasure knowing Lucky. What an incredible man he was. Kind, compassionate and caring. He was so knowledgeable on just about anything! I could have listened to him speak of all his life experiences. And the ‘Stories’ he would share with me. Absolutely adored him. My heart felt condolences to my dear friend Sandy and also to the rest of the family. He will be missed. R.I.P. Lucky ☐

“ Always enjoyed talking to Lucky at cars shows. I met him when I was providing Home Care physical therapy services for his past wife. He was kind enough to share a peek of his cars parked in his garage. He will be truly missed.
