“ My mom and Pearl were friends since they were kids. I' spent a massive amount of time at Michael's house growing up. She would tell me "I helped raise you" and you know what? she did! I would still receive phone calls periodically from her to ask how I'm doing. She was a very special lady and I was blessed to have her touch my life. My deepest condolences to you Michael and your whole family.

“ My deepest condolences go out to Pearl and her family. My mother was Pearls best friend from Elementary school Cookie . My mom and Pearl spoke often until my mom had passed in 2007. I had actually heard from Pearl about 6 months ago. I loved talking to Pearl she had such a great memory and really was missing my mom a lot. She would call periodically to see how I was doing. She was very passionate and kind. I will Truly miss our chats. Love Always, Karen Golob
